Winter

Around the Library

Winter has arrived! I am sitting here looking out at the winter wonderland wondering where the time went this year. It seems as though we were just starting out the year and planning the summer schedule and summer reading!

As you may have noticed on the right side of this page, the library has a new webpage! Ward County recently updated their website and with that, our website was changed and updated. There are some new features on this website and I hope that you will let me know what you think of it.

They are currently busy

working across the street on the new Courthouse Administration building. It seemed like the new building was a long way in the distance until they started building and now, it doesn't seem so far away at all. We don't know much more than we did in our last newsletter, but we will certainly let you know as we get news.

In case you missed it, Bree had a wonderful event on Halloween in Kenmare. She worked with the kids to put together a Reader's Theatre with Halloween books. They had performances at the hospital in Kenmare, at the Maple

View in Kenmare, and finished at the library in Kenmare. Great job to them!

As always, we are continually looking for your feedback. You can call us, email us, talk to us in the library, and even find us online!

Pinkalicious and Goddess Girl say Happy Halloween!

Welcome to our library, Janice!

At the beginning of November, we welcomed Janice Sweeney into the library. Janice is filling in while Phyllis is gone. She is a retired teacher from the Surrey area. She is excited to

be working at the library and on the bookmobile as this is always something that she has wanted to do. She says that she has really big shoes to fill, but she will try! Please give her a big wel-

come and hi when you see her on the bookmobile or in the library.
