## Around the Library

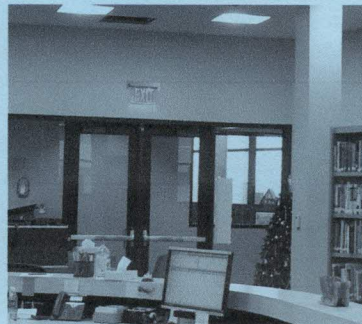

It is hard to believe that it is already December! It feels as if we just started a new school year with the bookmobile and it is already time to start planning summer reading and the summer bookmobile schedule!

We are switching up the bookmobile schedule starting in January for Mountrail County. We are adding a stop in New Town! The updated schedule should be up on our website soon. We are slowly getting everything settled in the

new building and we appreciate everyone's patience with us during November when we had to be closed. We are open now! Story Time has resumed in Minot and is still on Wednesdays at 11:00 am. Parking is a little tricky right now, but is getting easier as some construction ends. The best places to park are across the street from the Courthouse or you may get lucky and find some street parking in front of our building on 3rd Street.

We do have all of the

computers set up and hooked up to the internet. Our book drop is temporarily being placed by the main (west) doors of the building and will be permanently placed next spring.

## The Book Drop Is Up!!!

The book drop in Minot is up and back available for use! It is located right next to the doors on the west side of the County Administration

Building. It is a black box with the drop side on the south side. Social Services has a drop box located right behind it for their forms as well.

This will not be the permanent location of the book drop. Next spring, it will be moved closer to 3rd Street when everything has thawed out!
