Justin Anderson
Larry Louser, Commissioner
Muriel Peterson

- Regular board meetings are held the second Tuesday of each month at 1:30 pm at the Ward County Library in Minot

Around the Library

It is hard to believe that it is already the end of March! It doesn't seem like there is enough time for everything. We are finalizing the summer bookmobile schedule and the plans for summer reading. Those should be done towards the end of April.

This year's summer reading should be fun with the theme being "On Your Mark...Get Set....Read!". It is all about being healthy, moving around, and of course reading!

We really appreciate everyone's patience as the new building has been finished. They are going to start work on the landscaping soon. They will start working on the new jail again soon, which means there will be construction on the east side of the new building. This hopefully will not affect the parking for the library much. They are also going to be working on the parking lot that is across the street from the courthouse this summer to make parking in there easier

as well.

Plans are in the works for some fun events in Kenmare this spring and summer from a sleepover this spring to Refuge Day this summer. You never know what we are going to come up with next.

Where Do I Park?????

Parking can be a bear sometimes and it is helpful to know where to park. The Kenmare library has several parking spots available right outside the building as well

as other street parking available. Please don't park in front of the fire stations doors, though. In Minot, parking is a little tougher. There is parking available across the street

from the courthouse in a parking lot or there is street parking right in front of the building. We are working on more parking, but it will take time.
