Around the Library

It is already fall, which is really hard to believe! The school year schedule starts today and goes into May 2017!

It so hard to believe that it is almost 2017! This year has flown by and has been full of wonderful events!

This fall promises to be just as full! We are hoping to have some events that are election related before November.

We started showing movies in Minot and

Kenmare this summer and are hoping to continue this fall. We started with kids movies, but will hopefully be able to show some adult movies as well.

They have the cement poured in front of the building for the permanent location for the bookdrop. We hope to get that moved shortly and then it will be closer to the sidewalk and hopefully a little more visible. Work continues in the courthouse and on the new jail ex-

pansion. They are also currently working on the parking lot across the street from the courthouse to try and make parking a little easier for everyone.

Story Strolling with us!!!

The library would like to thank everyone that came out in June to help us kick-off our Story Stroll in Oak Park. We had a terrific event.

The story boards should have new stories throughout the winter. They will not change as often in the winter months, but keep checking back.

If you would like to sponsor a story board or donate money to help us keep the story boards looking nice, please contact Kerri in the library at 701-852-5388.
