The 2007 ND State Legislature passed a bill allowing a property tax exemption for 50% and higher service connected disabled veterans on the first \$150,000 of the home's valuation. To apply for the exemption, qualifying veterans can obtain an "Application for Property Tax Exemption" form from the Ward Co. Tax Director's office. For City of Minot residents, contact the city assessor's office. There is no means test, income or asset criteria to apply for the exemption.

"V" INDICATOR DRIVER'S LICENSE

As of August 1, 2011 Veterans can request to have an indicator on their ND driver's license to show that they are a veteran of the US military services. Veterans need to bring a copy of their DD214 (discharge paper) to a Veteran Service Officer. The VSO will verify that the individual qualifies as a veteran, completes and signs the form. The form is then taken to the nearest drivers license site when he/she renews their license. If renewal is not due, the \$8.00 duplicate fee will be charged.

Mission Statement

GRANTS

The Hardship Assistance (Grant) Program is available to low income veterans or spouses for medical assistance for hearing aids, eye glasses, and dental care. Grants may be awarded for up to \$4,000 per year. To qualify, monthly income must be less than \$1,200 (for a single person) and liquid assets must be less than \$4,000.

The Veterans Aid Loan Program allows resident veterans to apply for a loan of up to \$5,000, payable over four years, with an 8% interest rate. If the recipient satisfies all conditions of loan repayment, one-half of the interest is returned upon receipt of the last payment. To qualify, the person must be an eligible veteran or dependent, be a North Dakota resident for at least one year, and meet applicable eligibility criteria

STATE VETERANS HOME

The State Veterans Home is located at Lisbon, ND. The Home is open to most North Dakota resident veterans and/or their spouses. There are approximately 110 beds in the basic care unit and 40 beds in the skilled care unit.

ND VETERANS CEMETERY

The North Dakota Veterans Cemetery is located approximately six miles south of Mandan, ND on a small knoll overlooking the Missouri River. Eligible Veterans, National Guardsmen, Reservists, and dependents are afforded burial rights in the cemetery.

The Ward County Veterans Service office is responsible for assisting veterans, widows of veterans, children or other eligible relatives of veterans in making claims for benefits from the Department of Veterans Affairs.

These benefits include, but are not limited to, applications for service-connected compensation, pensions, medical care, education, home loan guarantees and burial benefits. This office also advises veterans and refers them to the appropriate professional sources to alleviate their problems.

We assist veterans and their spouses in application to the North Dakota Veterans Home at Lisbon and the North Dakota Veterans Cemetery at Mandan.

The VSO administers an emergency aid fund for veterans and can refer them to area aid organizations for assistance. The VSO attends Veteran's organizations meetings and participates in veterans functions.

The VSO also accomplishes home, nursing home and hospital visits to assist impaired veterans and accepts speaking engagements for the purpose of informing people of benefits due them as a veteran or a dependent of a veteran.
